

# **Student Scoring System Explanation**

Academic Performance Score (APS) is computed using GPA, attendance, and assignment completion. Wellness & Wellbeing Score (WWS) considers mental wellbeing, sleep hours, and stress level. Productivity & Time Management Score (PTMS) reflects productivity, distractions, and task completion. Career Readiness Score (CRS) measures career clarity, skill readiness, and engagement. Student Readiness Index (SRI) is the average of all four scores. Students are classified into Green ( $\geq 80$ ), Blue (65–79), Yellow (50–64), and Red ( $< 50$ ).
