Cluster Interpretation Document

Cluster 0 – At-Risk Students:
• Low academic scores and engagement metrics.
• May require mentoring, counseling, and academic intervention.

Cluster 1 – High Performers:
• Strong academic scores and consistent performance.
• Suitable for leadership roles, advanced programs, and internships.

Cluster 2 – Career-Confused Students:
• Moderate academic scores but inconsistent performance indicators.
• Require career guidance, skill-mapping sessions, and aptitude counseling.
